GW CyberCorps Application Checklist

Pre-Application Steps
Applications must be U.S. citizens or legal permanent residents.
Applications must be current GW students OR have completed applications for admission to GW to enter no later than next fall.

Online Application
Applications must complete online application.
Applications must submit the online application by January 31.

Transcripts
Applications must attach scanned copies of transcripts to the online application.

Letters of Recommendation
Applications must fill in personal information on the recommendation form.
Applications must indicate whether they would waive their right of access to the recommendation.
Applications must sign and date the form with ink.
Applications should remind the recommenders of their requirements:

- Recommenders must complete the competency ratings table.
- Recommenders must sign and date the recommendation form.
- Recommenders must provide a separate letter of recommendation.
- Letter of recommendation must be on the recommender's organization letterhead or contain an explanation of why an organization letterhead is not possible.
- Recommenders must scan and email BOTH the recommendation form and letter of recommendation to csia@gwu.edu.
- Recommenders must ensure that BOTH the recommendation form and letter of recommendation are received by January 31. Applicants are encouraged to check with their recommenders regarding the status of submission of these materials on their behalf.
